Jobs / Equipment Summary ▾

 September 1 - September 14, 2022

Day | **2 Weeks** | **1 Month** | **Today**

Adjusting the job's date

Adjusting the job's date

Rig Activity Forecasting - 115

A screenshot of the 'Rig Activity Forecasting' interface. The main view shows a grid of days from September 1 to September 14, 2022. A specific job entry for September 5 is highlighted with a yellow box. The job details are as follows:

- Company: Alpha
- Job ID: J001
- Start Date: Sep 5, 2022 09:00 AM
- End Date: Sep 5, 2022 05:00 PM
- Description: Job 1
- Category: Production
- Priority: High
- Status: Pending

Delay Subsequent Jobs
Rig Activity Forecasting - 112

A screenshot of the 'Rig Activity Forecasting' interface with a modal dialog titled 'Adjust job'. The dialog contains the following fields:

- Company: Alpha
- Job ID: J001
- New Start Date and Time: Sep 5, 2022 09:00 AM
- New End Date and Time: Sep 5, 2022 05:00 PM
- Delay Subsequent jobs by Start Attractant: 00:00
- Delay Subsequent jobs until: 00:00

Buttons at the bottom include 'Submit' and 'Cancel'.

Rig Activity Forecasting - 116

A screenshot of the 'Rig Activity Forecasting' interface showing the updated rig calendar. The job entry for September 5 now reflects the new start time of 09:00 AM. Other jobs in the sequence have also shifted to accommodate the delay.

Not Delay Subsequent Jobs
Rig Activity Forecasting - 113

A screenshot of the 'Rig Activity Forecasting' interface with a modal dialog titled 'Adjust job'. The dialog contains the following fields:

- Company: Alpha
- Job ID: J001
- New Start Date and Time: Sep 5, 2022 09:00 AM
- New End Date and Time: Sep 5, 2022 05:00 PM
- Delay Subsequent jobs by Start Attractant: 00:00
- Delay Subsequent jobs until: 00:00

The 'Delay Subsequent jobs by Start Attractant' field is explicitly set to 00:00, indicating no delay for subsequent jobs.

Rig Activity Forecasting - 117

A screenshot of the 'Rig Activity Forecasting' interface showing the updated rig calendar. The job entry for September 5 now reflects the new start time of 09:00 AM. Unlike in 116, the subsequent jobs in the sequence remain in their original positions, demonstrating that the 'Not Delay Subsequent Jobs' option was selected.

Move Rig to another project

Move Rig to another project

Rig Activity Forecasting - 122

The screenshot shows a dark-themed web application for rig activity forecasting. The main interface displays a grid of activity cards for the period from September 1 to September 14, 2022. One specific card for 'Pre-pit Testing' on Sep 5 is highlighted. A modal window titled 'Relocate Rig' is overlaid on the grid, prompting the user to change the rig's company, project, location, and start date/time.

Rig Activity Forecasting - 123

This screenshot shows the same interface as the first one, but for project 123. The main view displays a grid of activity cards for the period from September 1 to September 7, 2022. A modal window titled 'Relocate Rig' is open, showing the same relocation details as the previous screenshot.

Rig Activity Forecasting - 124

This screenshot shows the same interface for project 124. The main view displays a grid of activity cards for the period from September 1 to September 7, 2022. A modal window titled 'Relocate Rig' is open, showing the same relocation details as the previous screenshots.

Rig Activity Forecasting - 125

This screenshot shows the final iteration of the interface for project 125. The main view displays a grid of activity cards for the period from September 1 to September 14, 2022. A modal window titled 'Relocate Rig' is open, showing the same relocation details as the previous screenshots.

Rig Activity Forecasting -...

A screenshot of a web-based application interface titled "Rig Activity Forecasting". The main area displays a grid of job cards. Each card contains a title, a progress bar, and a small description. The cards are organized into columns labeled "Status" (e.g., Pending, In Progress, Completed). A sidebar on the left contains navigation links for "Dashboard", "Jobs", "Reports", and "Settings". The top navigation bar includes "Edit Jobs", "Delete Job", "Edit Project", and "Delete Project".

Rig Activity Forecasting -...

A screenshot of a modal dialog titled "Edit Job Details". It contains fields for "Category" (set to "Job"), "Title" (set to "Job 1"), "Progress" (set to "0%"), and "Description" (set to "Job 1 Description"). Below these are sections for "Job Type" (set to "Normal"), "Job Frequency" (set to "Daily"), "Start Date" (set to "2023-09-01"), "End Date" (set to "2023-09-15"), "Last Run" (set to "2023-09-01 08:00:00"), "Next Run" (set to "2023-09-01 08:00:00"), "Run Interval" (set to "1 day"), and "Run Times" (set to "08:00:00"). At the bottom are "Save Job" and "Delete Job" buttons.

Rig Activity Forecasting -...

A screenshot of a modal dialog titled "Edit Job Details", identical in structure and values to the one in the middle panel. It shows fields for Category, Title, Progress, Description, Job Type, Job Frequency, Start Date, End Date, Last Run, Next Run, Run Interval, and Run Times. Buttons at the bottom include "Save Job" and "Delete Job".

Delete Job

A screenshot of a modal dialog titled "Confirm delete". It contains the message "Are you sure you want to delete this item?" and two buttons: "Delete" (highlighted in red) and "Cancel". The background shows a list of jobs with a "Delete" button next to each card.
